SUMMARY

Senior UI/UX Designer with 4.5+ years of experience crafting user-centered web and mobile products across e-commerce, technology, and agency environments. Expert in end-to-end design, Agile workflows, design systems, and tools like Figma, Adobe XD, and Sketch. Proven track record of collaborating with developers, stakeholders, and offshore teams to deliver accessible, responsive, and conversion-focused digital experiences.

WORK EXPERIENCE

Senior UI/UX Designer, Mars Techtier Sep 2025 – Present

- Lead end-to-end UI/UX design for 10+ client websites, owning projects from discovery to final developer handoff.
- Optimize layouts and user flows to improve usability, reduce friction, and increase user engagement across responsive interfaces.
- Define and maintain scalable design systems ensuring visual consistency across all deliverables.
- Collaborate directly with developers and stakeholders to translate business requirements into polished, on-brand digital experiences.

UI/UX Designer , SleekhHive Technologies Apr 2024 – Sep 2025

- Designed responsive website UIs and interactive prototypes used for client sign-off and developer implementation.
- Partnered closely with engineering teams to ensure pixel-accurate implementation of design specifications.
- Conducted iterative design reviews, rapidly incorporating feedback to meet project deadlines.
- Contributed to a shared component library to accelerate design-to-development workflows.

UI/UX Designer , Capradot Oct 2023 – Apr 2024

- Delivered high-fidelity UI designs and clickable prototypes for multiple web projects.
- Worked alongside developers to maintain design integrity throughout the build process.
- Improved navigation, hierarchy, and task completion using UX best practices.

UI/UX Designer , Dynamic Global Links Sep 2022 – Oct 2023

- Designed visually compelling website interfaces aligned with client brand guidelines.
- Produced detailed wireframes, user journey maps, and interactive prototypes.
- Conducted requirements gathering sessions with clients to define scope and design direction.

UI/UX Design Intern , Sayabi Devs Aug 2022 – Sep 2022

- Designed digital creatives and social media content for client campaigns.
- Supported the design team in producing on-brand visual assets.

UI/UX Design Intern , Folio3 Software Jun 2021 – Aug 2021 | Jun 2022 – Aug 2022

- Assisted senior designers in building website UI components and design mockups for live projects.

- Assisted senior designers in building website UI components and design mockups.
 - Supported web design projects by preparing assets and documentation for developer handoff.
-
