FARMAN BHATTI

FRONTEND DEVELOPER | WORDPRESS & NEXT.JS

PROFILE SUMMARY

Results driven WordPress and Frontend Developer with hands-on experience in building, optimizing, and maintaining high performance websites. Strong expertise in WooCommerce, responsive UI development, and modern frontend workflows. Actively working with WordPress and Next.js using Tailwind CSS and TypeScript for scalable web solutions.

EXPERIENCE

Karsaaz EBS | Karachi, Pakistan

FEB 2025 - PRESENT

WordPress & Next.js Developer

- Develop and maintain high-performance WordPress websites with a strong focus on UI, usability, and scalability
- Build modern, component-based frontends using Next.js, Tailwind CSS, and TypeScript, ensuring responsive and consistent UI
- Implement and optimize WooCommerce stores, resolve frontend issues, and collaborate with teams to deliver production-ready solutions

Systems Mit Ltd | Karachi, Pakistan

Jun 2022-Oct 2022

WordPress Developer

- Built and maintained WordPress websites following best development practices.
- Managed content updates, performance improvements, and bug fixes.
- Coordinated directly with clients to gather requirements and deliver projects on time.

WordPress Developer Intern

Dec 2023 - Feb 2024

Creative Birds | Karachi, Pakistan

- Developed responsive WordPress websites optimized for all screen sizes.
- Integrated WooCommerce and configured payment gateways.
- Supported senior developers in frontend customization and issue resolution.

KEY ACHIEVEMENTS

- Developed high-performance, responsive websites using Next.js, React Tailwind CSS and TypeScript.
- Built and customized WordPress websites with pixel-perfect, mobile-first responsive designs.
- Optimized website performance SEO and Core Web Vitals for faster loading and improved search rankings.
- Integrated REST API dynamic content and reusable components in Next.js applications.
- Customized WooCommerce stores including checkout flows, product pages, and payment integrations.
